Subject: Aldicarb- Team meeting outcome- hold on BEAD work

Monisha/Team-

So from what we heard today from RD- HED and EFED are working on numbers to provide "best case scenarios" to RD. There is a hold for a bit on BEAD work.

Let's wait to hear from RD in written correspondence as to cancelling the BEAD work altogether.

Thanks for all the work that has been put in so far. It may still continue- stay tuned. I've asked Lindsey to continue the SUUM work, but not in a priority timeline.

Hope
